

Face to Face Fundraising
February 2024

We're excited to be engaging with more people across the state to help us in our mission to save lives throughout remote, rural and regional Queensland.

You might have come across our crews on the street, in a shopping centre or perhaps at your door. Face to face fundraising is one of the most cost-effective ways for us to meet members of the public who wish to give a regular gift to support the Flying Doctor in Queensland. If you see our fundraisers in your area, please come and say hello!

We're members of the Public Fundraising Regulatory Association which means we comply with strict regulations to ensure quality and transparent fundraising practices. You can read about them [here](#).

How to Identify our team?

They will be wearing Flying Doctor Support Crew polos and/or overalls, a red peaked cap and official identification lanyard.
